ACCREDITATION APPLICATION FOR PROFESSIONALS

Each year, the Strasbourg European Fantastic Film Festival issues accreditations that enable professionals present throughout the festival to be easily identified and, under certain conditions, to gain access to all the Festival's screening venues and scheduled events on presentation of a name badge and pass.

Persons who may be granted professional accreditation:

Cinema and audiovisual professionals engaged in certain types of activity and under certain conditions determined in advance by the Festival organisers.

Types of professional work eligible:

- Director / Actor / Member of the artistic or technical team / Producer: **only** if the applicant accompanies a film selected or planned in connection with the current edition of the Festival.
- Distributor / International seller / Exhibitor
- Film festival organiser or programmer

Applicants may be asked to present a document evidencing their professional status.

How to obtain accreditation?

After reading the conditions of eligibility for accreditation, please complete your application for professional accreditation and send it to the following email address:
com@strasbourgfestival.com.

You must attach to each postal item an identity photograph (minimum 300 dpi jpeg format) bearing your SURNAME in capital letters and your first name.

Please attach to the application all documents evidencing your professional status.

The Festival reserves the right to grant or reject the application for accreditation if the type of activity mentioned does not appear sufficient for the applicant to qualify for accreditation. All incomplete applications will be automatically rejected.

A confirmation or rejection email will be sent to you within a few days of your application.

Deadline for applications for accreditation: **Monday, 11 September 2017.**

Collection of accreditations

The accreditation can be collected from Friday, 15 September at the Accreditations Office of the Village Fantastique, Place Saint-Thomas, 67000, Strasbourg

Opening hours: 10am-9pm

Please bring along a piece of identification to collect your accreditation.

How to use your accreditation?

The accreditation is personal, non-transferrable and non-assignable.

On presentation of the badge and provided that sufficient places are available, it provides access to the Festival's different screening venues (Star, VOX and UGC cinemas) but not to invitation-only gatherings (opening and closing ceremonies, certain side events).
